B. 2021-22 Budget Adjustments

Ryan Tangen, Director of Finance and Operations

Enrollment is main factor in budget process. Decrease of 112 Adjusted Pupil Units since last fall which affects many funding areas. The state aid adjustment due to a formula increase provided an additional \$517,567. Revised entitlements and Federal Pandemic Relief funds provided an additional \$991,755. Expenditures are currently \$276,288 less than budgeted which includes a significant decrease in employee benefits costs.

Food Service Fund has high participation due to free meals continued through Federal Sources. Open positions affects the expenditures. Food costs are coming in higher due to product scarcity and increased costs.

Community Ed Programs and KidKare are coming back and revenues have increased by \$412,242.

OPEB Trust revenues will decrease by \$1,535,000 due to market value changes and employee contributions.

Ending fund balance will increase from \$39,177,743 to \$39,411,010.

Lawrence/Bjorklund to approve

Discussion: Federal funds will run out at some point.

Motion carried 5-0

C. Recommendation for Percentage of Funding for Severance

Ryan Tangen, Director of Finance and Operations

Fund balance committed severance is arrived at using a percentage of the next five years projected retiree claims net paid premiums and health care savings plan contributions. The percentage has fluctuated between 60% and 65%.

6. REPORTS

A. Annual Radon Report, John Heltunen, Director of Buildings and Grounds  
Annual testing takes place throughout the district. Testing is not mandated by the state. Hanover Elementary was tested. Radon has been found in the past and mitigated. Test results show that the building does not have Radon levels that would require additional mitigation action on the part of the District. Testing of all sites takes place every five years.

B. Early Release Days, Pam Miller, Director of Teaching and Learning and Scott Thielman, Superintendent  
Professional Development has been difficult to provide over the past years due to lack of substitute teachers. A remedy is to offer these opportunities during the student day, thus eliminating the need for substitutes. Proposal is to release students 2 hours early on the first Friday of the month when school is in session except in September and June. Early release days were part of the calendar from 1986 to 2005. KidKare will be open to provide childcare during this time.
